# Land of the Pharaohs 10 days

## Day 1: Cairo

Cairo: If you look very hard through your aeroplane window, you might spot the great pyramids of Giza before landing in Cairo. And if not, you will soon after, at your hotel located right at the edge of the Pyramids. Overnight - [Cairo](#)

## Day 2:

Sunrise at the Giza Plateau! Saddled on camels and with cameras at the ready, we hunt for the exact spot where Tintin himself discovered the pyramids. If you're feeling brave, venture down into the burial chamber deep inside one of these giant ancient tombs. After lunch, with horses to suit all abilities, we take a gentle ride to the necropolis of Saqqara and explore the older Zoser's step pyramid. Overnight - [Cairo](#)

## Day 3:

On a guided tour of the famous Egyptian Museum, home to the treasures of King Tutankhamen, you'll come face to face with some of the great rulers of ancient Egypt in the mummy room! It's back to present day Egypt and the hustle and bustle of downtown Cairo this afternoon, exploring the famous Khan el Khalili markets, stopping at historic Fishawi coffee house and the 19th century Citadel of Saladin. Overnight - [Cairo](#)

## Day 4: Port Said

This morning it's a dry and dusty drive to Port Said, the city by the sea where Tintin first sets foot in Egypt. We also visit Suez, where enormous ships and tankers queue to enter the canal – this truly is watching the wheels of trade in motion. Back in Cairo, we board our overnight sleeper train headed for the world's greatest open air museum – 4,000 year old Luxor! Overnight - Sleeper Train

## Day 5: Luxor - Valleys of Kings & Queens

Time to go in search of the tomb of King Tutankhamen in the eerie rocky landscape of the Valleys of Kings and Queens – we might even stumble upon Hergé's tomb of Pharaoh Kih-Oskh! After a visit to the Temple of Karnak, we board our Nile Cruiser and

escape the dizzying afternoon sun. And at dusk, horse-drawn carriages take us to Luxor Temple, when it's beautifully illuminated at night. Overnight - [5 star Nile Cruiser](#)

## Day 6:

An optional hot air balloon ride to see day break over Luxor before we 'up anchor' and ease into a relaxing day sailing down the Nile. There's fun and games on board tonight as we slip into disguise sporting traditional Egyptian galabeyas. Overnight - [Nile Cruising](#)

## Day 7:

A bit more R&R on board, with leisurely stops at the riverside Temple of Horus at Edfu – the largest and most completely preserved pharaonic temple in Egypt – and the unusual temples of Haroeris and Sobek in Kom Ombo that date back to the Ptolemaic era. Overnight - [Nile Cruising](#)

## Day 8:

Time warp! Swapping our modern Nile Cruise for a traditional felucca we sail to beautiful Elephantine Island. The mighty High Dam, a modern feat of engineering is our next stop, followed by a boat trip out to 4th century Philae Temple. Overnight - [5 Star Nile Cruiser](#)

## Day 9: Abu Simbel

# Land of the Pharaohs 10 days

If you're up for an early start opt to catch the sunrise flight to the sun temple of King Ramses II at Abu Simbel, arguably the most impressive of all Egypt's monuments. We fly back to Cairo for our final dinner in the land of the Pharaoh's, where you can test your wits at decoding those baffling hieroglyphics. Overnight - [Cairo](#)
